If driving through Rhinelander, we recommend coming north on WI-17 and east on Hwy A (instead of east on Hwy C and north on US-45) – same time/distance, but more scenic and takes you through the sweet town of Three Lakes.

From the north, Winterberry is the first left (blue street sign) after you cross the Whitefish Lake bridge. Winterberry is a graveled road, so take it slowly. The cabin is a quarter mile down on the left side, with a '6565' sign.

Parking: Kindly keep to the graveled driveway - the septic system is located under the grass!

Bringing a Boat? There's plenty of room in the driveway for your trailer.
